Dear Parents,

Welcome to the 2022-2023 academic school year! We would like to inform you of the school uniform requirements. Please view the attached website for the approved school uniforms/colors. All uniforms will be purchased online from French Toast Uniforms. **Per school administration, cardigan sweaters are mandatory for ALL students.** For cooler months, a long sleeve polo shirt is an option for boys as undershirts will not be allowed under the shirt sleeve polo shirt. Girls must purchase the navy leggings for the jumpers. **No leggings with any design will be allowed.**

<https://www.frenchtoast.com/schoolbox/schools/Guide-Academy-QS5IHPT>

We ordered the school logo patch for everyone. We have volunteers that will sew on the logo for you. After you receive your uniforms, you will need to drop off any piece of clothing that needs a logo (for boys: cardigans and shirts; for girls: cardigans and jumpers). We will send an email closer to the start of school on when to drop off your child's clothing. Please also leave **\$5 per piece of clothing item** (you may leave a check or cash preferably) to cover the costs accrued.

As far as shoes, all students should have "outdoor shoes" and "indoor shoes". These shoes should be closed toe (NO sandals) sneakers. Please see image below for an example of shoes.

Please let us know if you have any questions.
